Dear Guardian,

It is to bring to your notice that the Institute is making innumerable efforts to invite various companies for the purpose of conducting interviews for industrial training at these organizations. Please consider that this requires a lot of efforts and time on the part of the college.

In this regard please acknowledge the receipt of this letter and ensure that the student appears for the upcoming interviews. (The schedule for the same is duly updated on the college website as the dates are finalized)

Please ensure that he/she appears in as many interviews as required till the desired job is obtained, and must not get disheartened or become irregular.

In case your ward does not wish to sit in an interview for industrial training on the part of the college, please intimate us of the same in writing. (Considering that certain students would be going for industrial Training on his own accord). Please update us of the same.

This will help us to focus on only those students who wish to be placed through campus Interviews.

Thank you in advance for your co-operation.

Regards,

Reyaz Ahmad Lone

(In-charge Training and Placement)
